

Slot Pull Host Guide

It's all about the group bonus moment.

Kenny Crew slot pulls are all about the group moment. After hundreds of slot pulls, Kenny realized the loudest cheers usually happen when the group hits a bonus feature and everyone watches with anticipation. With that same mindset, Kenny Crew slot pulls are played on games where the bonus feature can be purchased, keeping the fun centered around the most exciting part of the game: the bonus round, the build-up, and the group reaction.
